

# London Pest Control Services - GUARANTEED RESULTS

Location **London, London**  
<https://www.freeadsz.co.uk/x-508362-z>

London Pest Control ( part of the London property services group) we undertake London's pest control issues quickly and competently we use the BEST PESTICIDES on the market GUARANTEED! We also offer FREE call backs if your pest problem persists after our initial visit! Our rodent treatment is ( unlike other companies who just put traps and poison down) a very intensive internal proofing service where the fully qualified BPCA / RSPH technician will pull out all your appliances to locate all possible rodent entry points and seal off for good... text 'QUOTE' for a free call back and an instant quote for our...
