

1 or 2 man inflateable or tender,preferably with motor (100 GBP)

Location **North, South Wirral**
<https://www.freeadsz.co.uk/x-508470-z>

to be used for a fishing trip to france,don't 2want anything bigger than a 2 man,will consider a suitable craft without engine so long as its stable and watertight,prefer inflatable type but will consider a tender or wooden floor will travel for the right boat,or will meet within reason if close enough,no silly prices please folks,as stated,only required for 1 week,would consider a rental if possible based in the north
