 I am a person that is looking for a One bedroom flat I need a flat to move into by , at the latest , the end of May , as I have to give my present Landlord a months notice , before I can move into a new premises, but would like to move into another flat by the end of April if possible , But end of may at the latest would be ok if this would help , get me another flat to move into if this would help my , new landlord. Where the Landlord would accept Housing Benefit My Landlord at the moment has accepted housing benefit for the past five years , and have had no trouble paying my top-ups to them . I am a non drinker , I do go to AA meetings , and am a very quiet person , I am not a working person , but at the same time , I am not a lazy one , either. Income comes from ESA Payments along with Disability Living Allowance , ESA weekly DLA monthly , And your rent would be paid direct to you from the housing benefits people , and if a top up is to be paid , then I will pay that on a monthly basis to you. Hope that I have given you , possibly my new Landlord , enough information so far , hope to hear from someone soon , and I can move into a flat , by the end of April or by the end of May at the lates email me at click to contact telephone 07411 477445 07411 4774...(click to reveal full phone number) Thank you Mr John
