I work for a wide range of companies including Maniere De Voir, Harborne Kitchen, Butcher's Social, Heritage Silverware, John Lewis, Tesco, Furniture Village, GPS Ltd. and many more. I have a lot of experience in photographing a wide range of products.

My studio is based in Fairfield Court, B61 9NJ, but I also often travel to client's warehouses and shoot products in house. The studio is fully equipped to produce high quality product and fashion photography. I can shoot fashion with a model or on a ghost mannequin.

I also produce high quality 360 interactive photography using a fully automated system. Everything from the tiniest piece of jewellery to an actual person can be shot in 360.

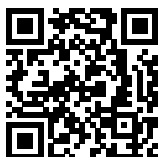

The studio is also used for family portraits and even dogs!

Get in touch if you would like us to work together.

I also offer professional portraits, families or individuals.... even pets! Modelling portfolio work. Product work, large or small.

Get in touch to get your 2017/2018 wedding booked ASAP as these slots go really quickly.

We also have a professional studio style photobooth, which goes down great at parties. I can point you towards the sister website for that if you.
