I'm looking to put together a 4 piece band (possibly add a sax player down the line) Approx 3 - 6 months of rehearsals then on to pub gigs & when more experienced the club circuit. The aim is to be a fun, tight band playing rock n roll, blues, fun numbers, with lots of medleys, no awkward pauses Scripted humorous banter for in between some songs, important to look like we're having fun & important we ARE having fun. Run the band via a shared diary. If no one is booked out then we can take a gig for that date. 10% of gig total to whoever gets the gig. Some money from early gigs to go towards, web site, business cards etc. I have par cans & various other lights for effects. I also have a PA suitable for medium sized pubs. I'd take front man plus I play keyboard (badly) Be nice if we could all share singing duties. Soholler! if you play, bass, drums or lead guitar Approx set list, all subject to change & input:- Melancholy Baby Rock N Roll Medley - Upbeat Tempo I Am A Rocker C - I'm Ready, Shake Rattle & Roll Good Golly Miss Molly Great Balls Of Fire Boppin At The High School Hop Sea Cruise This Ole House (+ more to bring to 15 - 20 mins) I'm In Trouble - Chas N Dave (Humerous) A- Please Don't Drag That String - Elvis Johnny B Goode Hi Heel Sneakers - Blues Medley Will You Still Love Me Tomorrow Maybe Baby Dream Lover Your Beautiful Gertcha - Chas & Dave (Humerous) Stop Dreaming Baby Face Medley Treat me Nice A Whole Lotta Lovin Teddy Bear The Girl Can't Help It Party Hi Ho Silver - Shakin' Stevens Medley - Medium Tempo Lawdy Miss Clawdie I Hear You Knockin Mess O The Blues Money Honey In The Middle Of The Night - Madness (Humerous) Breathless Medley - Medium Tempo One Night With You Only You Treat Me Like A Fool To Know Know Him Diddle Um Song - Chas N Dave (Humerous) Tainted Love - Rock N Roll Version Medley - Upbeat All Shook Up Whole Lotta Shakin' Your Mama Can't Dance Flip Flop & Fly Jailhouse Rock Hound Dog - Blues & fast version Teddy Bear Don't Be Cruel Brother In Law - Chas &
