Do you love singing but lack confidence? Would you like to try singing, but not sung since you were at school? Are you an experienced singer looking to develop harmony skills or searching for new lead singer opportunities? Do you simply want sing and meet great people? Soul of the City is a fun, friendly choir singing pop, soul & gospel classics in 4 and 5 part harmony and will be open again to new members in April. Whether you're a complete beginner, shower singer or more experienced singer, this choir is for you! If you've never experienced the amazing feeling of singing in a choir, why not try a free taster? (1 free taster for each person new to the choir) Each term we learn a selection of great songs in preparation for an end of term gig (the gig is not compulsory but highly recommended for maximum enjoyment). It's a great opportunity not only to sing in harmony but also to learn new skills, gain confidence, perform on stage and socialise (many of us head to the pub after rehearsals for a well earned drink)!

There are no auditions to join the choir and no requirements to read music and, it's open to all levels of experience and ability.

The sessions are up-beat, friendly and led by an experienced vocal tutor so you're bound to have a fantastic time!
