PRETTY BEDROOMMAKEUP STOOL (35 GBP)

Location North, South Wirral https://www.freeadsz.co.uk/x-508972-z

I am selling a very pretty dressing table stool which has storage under the seat which could be used to store makeup. It has recently be reupholstered with a pretty Baby Pink fur. The seat is very comfortable. The storage under the seat has been lined. The wood is painted in a lovely matt black. The stool has not been used since restoring.
