

New Kitchen Mixer Tap (20 GBP)

Location **South East, Oxfordshire** https://www.freeadsz.co.uk/x-509031-z

Brand new kitchen mixer tap, in box, still sealed. I would take it back, but I managed to spill paint on the box while I was decorating: (Happy to take a photo out of the box, but as it is sealed I thought I'd just take a picture as is.
