Moped style electric bike in great working order powered by 48v rechargeable battery pack (4 x 12v lead-acid sealed cells so cheap to replace). Good 18" tyres, alloy wheels, mirrors, front and lockable rear storage, stand, comfy saddle, lights/indicators/horn and complete with mains charger (all working). Bright yellow so conspicuous to other road users, runs fine and pulls well with or without pedal-assist. Designed for adult use not a toy. Bargain at £!
