My Name is Naomi and I run Summerdowns Childminding, I'm 27 and live in the Old Town area of Eastbourne - You can find Summerdowns Childminding on Facebook. I am a friendly, fun and very caring person who feels very proud to be a childminder. Being a parent myself I understand the worry of leaving your child with a person you hardly know so I want to reassure you that your child will be safe, cared for and loved in my care and I work honestly and openly with parents so together we can do the best for your child in my home from home environment. If you provide me with your email address I am able to send out my parent pack for you to view I use Tapestry to record your child's development and share their special moments. As parents you are able to log in from your computer or smartphone and view your child's learning journal, you be able to view what I am recording and observing throughout the time that your child is looked after within my setting. With tapestry, I am able to upload images instantly and share observations as well as creating daily diaries so that we can share your child's experiences and work together with your feedback. These learning journals can also be shared with other settings and move on with the child when they go to school. - I am located on Summerdown road which is conveniently located for people driving in and out of Eastbourne with plenty of parking, come and visit me for a look around and a chat, I'll pop the kettle on. I have: DBS check
