Must go - space needed!

Freelander TD4 Commercial 2002 in Silver, MOT Aug 2017, 200k but engine runs fine and did drive well. IRD has hole in casing and needs replacing, hence spares or repairs, wouldnt take much to sort as replacements are available for about £150, recent front brakes, Prop removed as will need to be trailered/dollyed away, still have complete prop to refit. Almost full tank of diesel got to be worth £50! Too good to break.

Cheap at £395 ono
