Hi I am Aaron and I am offering my help for free pest control, it is a family run business and I we are insured to shot vermin. We will be using .22 air rifles pcp and springer air rifles and all vermin will be killed humanly and will not be caused any suffering. We will dispatch the vermin aswell. We will respect your land and neighbors around you aswell as your livestock or animals you may have present. All I ask for is to be made aware of any rules that may need to be followed. Many thanks Aaron. Please feel free to contact me on 07462474145 074624741...(click to reveal full phone number) we shoot the following:
•rabbits •pigeons •rats &bull
