Here is my Santa Fe now up for sale in the best colour scheme Black Ebony and Cool Grey
I have owned it now for nearly 2 years and its been great , its an Auto model with the 2ltr CDI Diesel engine which is economical and great to drive its a 4 wheel drive so very handy.
It has a CD Radio player instaled and fitted electric sunroof, elec windows all round, opening tail gate window, mud flaps, boot liner, chrome side tubes which look really good
All round a good car, no rust, new cam belt fitted at 106k miles by previos owner MOT till Dec 17
