I am looking for a mature, sensible and reliable sharer to love and enjoy my lovely mare 2-3 days a week. I am flexible on days, and they do not need to be the same days each week. She is happy to be schooled. She hacks alone and in company but requires a confident and calm rider (not a novice) to give reassurance around loud vehicles. There is hacking and a flood lit school. Lessons are available on site if you wanted them. Stable duties will be required and a financial contribution. Located in Balcombe, West Sussex. Please call or email me if you would like to discuss. Many thanks,
