Here at element Grp we offer a professional affordable and a friendly service throughout the whole of Cornwall. With over 30 years experience in the Grp industry element can rectify, renew or replace any flat roof or what you may require from our services, we are based in wadebridge and our team are approved Scott bader Grp flat roof technicians, we will take care of your roofing needs discussing any work you need from leaks/damage or a complete new refit. WHAT ARE THE BENEFITS OF A GLASS FIBRE ROOF? The seams that cause so many problems to felt roofing systems are non-existent with fibre glass roofs. A roof will be completely sealed with no seams and water tight. Also eliminating the need for stone chippings. A properly laid grp roof will more than likely outlast the building it sits on, its extremely durable and hard wearing. Key points: • Extremely tough and hard wearing • Easily repaired if physically damaged • Can be extended or refurbished • Easily cleaned • Adding value to the property • Replaces lead cutting out the likelihood of theft • 20 year materials and workmanship guarantee. Covering all aspects of Fibreglass/ GRP- •Flat Roofs•Wet rooms•Milking Parlours•Balconies•Swimming pool's•Boat repairs & Moulds•Dorma windows•Van lining Call 07540156603 075401566...(click to reveal full phone number) or 07786628817 077866288...(click to reveal full phone number) Email click to contact Free
