Fisher-Price Imaginext Disney Pixar Cars 2 Tokyo and Villain Playset

On the Tokyo side, place a car in the activation disk on top of the playset and watch the window change from McQueen to Francesco. Place a car in the activation disk by the Tokyo museum, turn the disk and watch the car in the secret bathroom move back and forth!

On the back of the playset, place Mater in the secret spy headquarters and attach his spy accessory. On the minion side, drive a car over the ramp and from the side of the playset, slide up the lever to reveal the infrared, projectile-launching camera! Inside the minion's lair boys can interrogate vehicles by turning the activation disk to rotate the saw!

Mater, Professor Z and projectile-launching camera and a snap-on spy accessory piece - 3+
