

Environmentally Friendly Potato Box Disposal and Re-use

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-509663-z>

Rowlinson Group prides itself on environmentally friendly practices, and potato box disposal is one of the ways they contribute to the cause. They collect boxes, chip them, and ensure they are reused for other purposes. Usually, these chips are used to heat the factory and treatment kilns. Rowlinson's also rework and repair damaged boxes, reducing the amount of waste and allowing customer to re-use their boxes rather than buying new ones.
