Hi, my name is Tom. I am an Ableton Certified Trainer teaching ALL SKILL LEVELS of music production with Ableton Live. Whether you are a beginner who's never used a computer to make music or a seasoned veteran wanting to learn a little more I'll be able to help. I will always tailor what I teach to your skill level and what you wish to learn. I will also travel to wherever you are based to teach you in the comfort of your own setup (within a reasonable distance). I live in Notting Hill, W2 4DR. I charge £30/h but can do discounted rates for block bookings (please get in touch for more info). I usually recommend doing 2hr sessions as a good amount of time, which I can do for £55. Please get in touch if you would like to book a number of hours and we can work out a discount. TOPICS I CAN TEACH - Getting Started with Ableton Live - Sound Design - Synthesis & Synthesis Hardware - iOS Music Production - Sampling - Creative Automation & Effects - Using 3rd Party Plugins - MIDI Controllers & Live Electronic Performance - Electronic Music History - MaxForLive - Mixing - Mastering - Critical Listening - Marketing Yourself & Releasing Your Music I am one of just over 300 people around the world selected by Ableton as Ableton Certified Trainers who are highly skilled in the use and instruction of Ableton Live. You can see my profile on the Ableton site: https://www.ableton.com/en/certified-training/thomas-glendinning/ I run a website offering tutorials and tools for music production called ELPHNT so if you would like to hear an example of my teaching please feel free to check out any of the videos on the site: https://elphnt.co.za/videos/ I am a drummer and so can teach advanced rhythmic concepts as well. Please feel free to get in touch via the email address or mobile number listed with this ad. I look forward to teaching you something new! Cheers,
