

Finnmaster 6400 MC (9,998 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-509820-z>

The Finnmaster 6400MC is a versatile compact motorcruiser with an inboard diesel 130 hp engine for economic running. Exceptionally good visibility is assured in its bright cabin and by opening up the roof hatch the skipper can navigate the boat even while standing. The sturdy pulpit and high grab rails ensure safe movement around the topsides of the boat or alternatively the unique walk through wheelhouse enables easy movement aft and forward. The clever access solution allows the cabin to extend close to the sides giving maximum internal volume and good headroom in the cabin without compromising safety. Dimensions LOA: 6.4m (21ft 0in) Beam: 2.3m (7ft 8in) Draught: 0.7m (outdrive down) Weight: approx. 1450kg Engines Single Volvo Penta D3 130 hp Diesel 180 hours SX Outdrive Trailer Brenderup 8222TB four wheel "roller type" trailer Lighting
