LowePro 200 AW. Complete with all partitions etc. As new and unmarked. Used once to store gear on a tour of Scotland. Never got out of the motorhome, I just took the kit I wanted and put it in a small rucksack. Bought to take a 5DIII with a Sigma 150 - 600mm attached, which it does without the lens hood attached.

Lowepró is one of the trusted marques and both amateur and professional photographers have relied on their products since 1967. These photographers carry Lowepró bags over the world-in every kind of climate and in every kind of condition, and rely on the inventive designs to provide protection, accessibility, comfort and durability they can trust.

Vertex is Lowepro's premium, rugged backpack built for adventure and sports photographers who carry pro-sized gear, laptop, tripod, outdoor accessories and a few creature comforts on shoots.

A lightweight harness system with multiple adjustment points delivers high comfort with minimal bulk.

The padded camera compartment with adjustable divider system offers easy customisation, built-in memory card holders keeps spare memory organised and within easy reach. Inside the camera compartment reversed zippers with zipper garages protect your gear from scratches.

An adjustable Glide-Lock system and detachable tripod mount secures tripod or other outdoor accessories to the front of the pack with stability and balance. Outer storage pockets centralise accessories and personal items for easy access and a padded front compartment offers protective space for laptop, files, jacket, etc. SlipLock attachment loops for compatible accessories expand carrying capacity further.

Lowerpro's Patented built-in all Weather AW Cover with heat-sealed seams provides protection from elements, water resistant, YKK zipper, moisture resistant zipper, and a quiet action. Shows, heat, wildlife, weather, and more. The 2 1/2" DSLR format medium format system, 4-6 extra large, 6x9" film in f/2.8, 1/1000, 1/4000, 1/8000, up to a 30 frame 1/3000 shutter and 1/3000.
