Hi there, My name is Daniel. I have over 10 years experience of garden maintenance and landscaping. I have launched my 'green' bike and trailer gardening service. Carrying out garden tidying. Hedge cutting, pruning, planting, weeding and grass cutting etc. I can also offer a pressure washing service for your patio. Any needs you may have. I can carry away a certain amount of waste. Or make use of your green waste bin, if you have one. Or even create a compost area, if you have space. I am based at Kew Bridge and I'm looking for clients in the local area (5 miles radius). Please enquire for prices at Helping Hand Garden Services. Thank.
