THE LISTING IS FOR A PEUGEOT 206CC HARD TOP CABRIOLET 2003 . ive spent a fair bit of money on this car in last couple of years and the sale is very reluctant however the rear seating is limited to a small person or child, my son is now almost 9 years old and he constantly complains he needs more room so had to buy another car. since I had this now almost 4 years its passed the mot every time with NO advisories, last year I replaced middle and back exhaust box, both front and rear shocks ,and in 2015 both front coil springs and both suspension arms were replaced too. I upgraded the brake system to drilled and grooved discs with brembo front discs and pads, far better stopping in wet weather. the alloys are rainbow metal flaked and in sunlight look very good, tyres were all replaced last year please note this vehicle comes as standard with no spare, they give you tyre weld never used it and still in the original Peugeot box. all seats cloth has no rips and the cd player is a jvc with radio, usb, Bluetooth and aux. few very minor marks on body hardly noticeable, it starts on the button, very little service history from previous owner but I service this myself EVERY year oil and filter, simple job. no need to replace the air filter it has a k&n filter in the standard air filter box ( not noisy ) does not affect warranty according to manufacture it simply has to be cleaned every couple of years and put back in the box, this filter is good for 50,000 miles to replacing. this car for the year has been well looked after and maintained, I have some receipts for the parts I spent out on, I welcome ALL OR ANY inspection providing you foot the cost, at almost 60 I'm not a boy racer so the car has not been thrashed but has been cared for. PLEASE NOTE , if you purchase the vehicle it was used as a DISABLED VEHICLE TAX CLASS so you will need to change the taxation class via the appropriate form at the post office or dvla when taxing the car I believe you can download and print the form online please check. ALSO FOR SALE ON OTHER SITES, UK BUYERS ONLY AND

COLLECT ONLY and as with any used car SOLD AS SEEN - message me if you would like to view or
