

Porsche 911 pre-1970 (25,650 GBP)

Location **Scotland, Strathclyde**
<https://www.freeadsz.co.uk/x-510045-z>

This 1967 Porsche 911 Sunroof Coupe is the perfect candidate for those looking to do a complete restoration. It has been stored in a garage since 1997. The engine does turn over, however I have not installed a battery or attempted to start it. The engine (#911-584) appears to be the original and has weber.
