I'm a mature 22yr old starting at Harper Adams in September and looking for the impossible!! I am looking for an annexe/flat to rent in a rural area, ideally on a farm or equestrian property. I am hard working and tidy. I have many years experience working with horses and have also worked on farms here in the UK and in Australia, working with cattle and sheep so, would be more than happy to help out around the place if needed. I will be seeking extra work but will be on a student budget so rent needs to be reasonable. If anyone has a property that might suit or has an ideas of who I could contact please don't hesitate to drop me a message or call! I'm sure I'm looking for the impossible but it's got to be worth a!
