

TomTom Truck SatNav MINT CONDITION, Latest UK amp Full Europe 2017 Speedcam

Location **West Midlands, West Midlands**
<https://www.freeadsz.co.uk/x-510243-z>

The unit comes in As New Mint Condition see pictures, and it is fully setup ready to go.

Very reliable TomTom Truck SatNav can be used with any vehicle Car, Bus, Truck, HGV plus Brand New Accessories

Installed are the latest available Full UK & Full Europe Trucking Map plus latest UK & European Speed Camera Database. Map covers the whole of Europe (43 countries) and can be used for international freight.

Ideal for anyone who drives larger loads, just input your vehicle's dimensions and it will plan a route avoiding hazards for that size of vehicle, such as narrow roads, too low/weak bridges, tight turns, Congestion charge, Toll Roads, etc. The unit will also recalculate route according to user's preferred arrival time and preferred diversions, specific road/road type avoidance, etc. Indispensable tool for Van / Truck / HGV drivers, has options not available on normal SatNavs.

Other features include Spoken Street Names, Voice Speech Command (the unit will listen and take your spoken instructions), Bluetooth (connect to your phone for hands free operation) and FM transmitter to listen to your Audio Books/MP3 collection!!
