For sale Epiphone les paul custom in heritage cherry sunburst color. Made in 2004 Unsung, Korea. Guitar is in pristine condition. No scratches, dings, knicks, bruises or other damage. Was a part of guitar collection, hardly ever played. Recently had pro setup with strings changed, intonation spot on, action set up. Plays like a dream. It has full and rich tone, not thin like strat. The best guitar I have tried in years. Truly amazing. Comes with hard case. NO SWAPS/OFFERS. thanks for
