

# Fast, affordable proofreading and copy editing - CVs, applications amp personal state

Location **Scotland, Midlothian**  
<https://www.freeadsz.co.uk/x-510441-z>

Applying for jobs is time-consuming and stressful. Your Curriculum Vitae (CV) is likely the first thing potential employers will see - make your first impression count by ensuring it is written precisely and free of grammar mistakes and typos. I am a qualified Proofreader and Copy editor with experience editing a variety of documents including CVs, cover letters, job applications, personal statements, and social media profiles such as Linked In. Ensure your writing gives the right impression - contact me for to discuss your requirements or for a quote - [www.writtenprecisely.co.uk/contact/](http://www.writtenprecisely.co.uk/contact/)
