Want a unique gift to give a friend for their birthday, or want to treat yourself to have a piece of your best friend with you at all times?

Then look no further! Why not order one of our horsehair or pethair products not only is it a personal and unique gift but it will also last a lifetime.

My aim from the start since setting up Brijazzle in 2014 was to make horsehair and pethair jewellery affordable to everyone, while still providing a top quality product, since then we have just flourished and I cannot get enough praise for my work from my customers as I put my all into every single piece I make. Each bracelet also comes wrapped with a giftbag in a colour of YOUR choice!

It's simple to order to! Get the hair and send it to me in an envelope along with your wrist measurement and your address. I will wash it and this is done a lot of the process. The bracelets are made within a week or so. I have had any horsehair gets tried on by you, with many of my customers. I have also had many orders for pethair. We aim to have many more products in the future. I can make it any way you like. Or may be your own unique design. You've got to make it yourself?

Then inbox me with what you'd like and we'll send you a quote guaranteed to be cheaper than anywhere else.

Inbox me if you'd be interested in having a bracelet made, or check out Brijazzle Horsehair Bracelets on facebook for more photos, customer reviews and
