

SONOR FORCE 1005 4 PIECE DRUM KIT (160 GBP)

Location

South East, Oxfordshire

<https://www.freeadsz.co.uk/x-510537-z>

Fully refurbished 4 Piece Sonor Drum Kit. The kit comprises the following parts: 16" x 22" Bass/Kick Drum 16" x 16" Floor Tom with Legs 10" x 12" & 11" x 13" Hanging Toms Double Tom Mount Pair of new 5A Drums Sticks Tuning Key

This kit has been stripped down - all hardware has been removed, the shells cleaned and polished, and all hardware fully cleaned. Some corrosion and pitting has been removed (where possible - it has not been possible to remove all, however it has been taken down and treated, so provided the kit is correctly stored, it will not spread), all chrome parts have been buffed and polished. Bearing edges have all been cleaned, smoothed and lubricated. New Code Law Batter heads have been fitted to the Tom Toms, a Code Blast Batter Head and Enigma Resonant head Fitted to the Kick Drum. The existing Sonor Resonant heads (made by Remo) have been cleaned and reused. There are a few scuffs and marks on all shells, but this is just normal "wear and tear" damage.

The kit has been professionally tuned, and comes with a report detailing all work done on the kit, a new pair of 5A Drum Sticks, and a Tuning Key. Ideal for a beginner, this kit has everything you need to get drumming...!!

Collection only, due to the size, however if you live within 15 miles of Didcot, I can deliver to you and assist with setting up if required - please send me a message to confirm.
