I set up my own photography business in 2014 and it's been growing from strength to strength. I cover many areas including weddings, parties and portraits.

My skill is in observing, anticipating and capturing those genuine moments and emotions.

My style of working is relaxed, friendly and unobtrusive, you'll barely notice me! I believe in blending in so I get to the heart of your special day, capturing the real story as it unfolds.

Here are a few testimonials from some of my many happy clients:

"Michelle, pics are fantastic!! Thank you so much! Love them!! Just looking through the pictures again, just brilliant. We have been going over the day again and again. A few forgotten moments just remembered!" (Adrian and Hannah - Wedding)

"Thank you so much for the perfect photographs. It wasn't like having a photographer-it was like one of the family." (Steve & Abi- Wedding)

"Oh, I LOVE them. I put them on Facebook for all to see and share and everyone has gone wild over them. Thanks again for all your hard work - it really was the cherry on the cake." (Clara-Hen)
