2011 FIAT 500 TWIN AIR 85 This is the very sought after fiat 500 twin air 85bhp fitted with the superb 875 cc engine,, very environment friendly. For the eco warriors, and not to be confused with the cheaper and more sluggish 1.2 models These twin air fiats are much faster and more economical than the cheaper 1.2 engine models,, in eco mode they will return 70 mpg, there is NO road tax, and being under 1.0 litre they are the cheapest car to insure, great for young drivers. The car is in fantastic condition in and out, fitted with every extra you can think of, start/stop, abs brakes, power steering, electric windows and mirrors, central locking, tinted windows, isofix child seat mounting, sport leather interior with black headlining, space saver spare wheel, matt black alloy wheels, rear spoiler, air conditioning, blue and me Microsoft sms text reader, cd, mp3, radio, usb, and built in hands free telephone system with controls on the steering wheel...etc Finished in passadoble red Mot until September 40,500 miles which will change as car is being used by myself on a daily basis, and i must say this is the most fantastic car ive driven, so fast when in sport mode, and a faultless drive (google Jeremy Clarksons review), reason for sale is we are upgrading to the twin air convertible. Log book registered to me at my address Any trial welcome AA, RAC,etc.. Very cheap price for quick sale £3500 check out similar models to this are £5000 plus This is the sports model. Please no silly offers and timewasters And for all the picture collectors out there, don't ask theres enough here,if your interested come take a.
