Our Managing Director, Joe Davis, has some 30 years' experience of working in the recruitment industry.

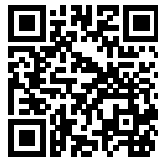

During his time in recruitment he has worked at Director and Senior Management level for companies such as Reed Employment, Blue Arrow, Crown Personnel to name a few. He has personally been responsible for setting up over 600 recruitment agencies from Catering and Industrial Agencies to IT and Executive Search Consultancies.

He has been a member of the expert panel for the 'Start Your Business' magazine where he answers questions and gives advice to budding entrepreneurs regarding issues on recruitment and starting a business.

The recruitment start up business programme has been designed to encourage repeat business and is based upon a training model that promotes controlled and sustainable growth aimed at producing high gross margins and good cash flow from delivering top quality service.

The one-to-one hands on training provides a step by step guide showing you the exact steps on how to access hundreds of job vacancies, many not registered with any recruitment business, plus how you can attract immediate candidates for you to match and place into employment.
