EXAMS IN PROGRESS

Formerly Head of the Faculty of Modern Foreign Languages at Dauntsey's School and Head of Spanish at Canford School, Aaron Neame (MBA) has had twenty-two years' experience tutoring French, German and Spanish to GCSE, IGCSE, A Level, Pre-U and IB students, as well as undergraduates from top UK universities, Common Entrance (CE) candidates, primary school children, Oxbridge candidates, and adults wishing to 'taste' a new language, or develop their language skills. His passion for languages is infectious and his LinguaAccelerate™ methodology is highly effective, inspiring confidence, motivation and interest, consistently achieving results which exceed expectations. Aaron is a Specialist Examiner for CIE (Spanish and French), AQA (Spanish), Edexcel (French) and OCR (French), equipping him with unique insight into 'what examiners want'. His emphasis on language learning through meaningful communication is characteristic of 'next generation' language tutors, infusing the language learning experience with stimulating, targeted activities, tailored to each learner's needs. Aaron has a Master's Level Diploma in Language Teaching and a Ba Double Honours in Spanish and German; he has also completed the final year of a Ba Honours in French and a BSc in Psychology, specialising in language learning, perception, memory and problem solving. More recently he achieved a Distinction in his Master of Business Administration (MBA). His understanding of the language learning process is what differentiates him from other language tutors, and this is reflected in the outstanding results his tutees consistently achieve. He is fully conversant with the National Curriculum for Key Stage 2 in Modern Foreign Languages and Key Stages 3, 4 and 5 in French, German and Spanish. He has tutored the specifications of all the main examination boards for GCSE, IGCSE, AS and A2 Levels. Aaron's love of French, German and Spanish culture is equalled only by his love of teaching and tutoring; he is an expert

In French, German and Spanish literature, an experienced language teacher/trainer and an avid lecturer
 in the language learning process. TUTORING: AS A LANGUAGE LEARNER, I know how to make the learning process
 more comfortable, efficient and fun. I am available for tutoring in my home office, or online via Skype or Zoom (free), at a time that is most convenient for you. My
 tutoring is available to Southampton residents inclusive of the town from 8.00am to 6.00pm. Travel costs are free for
 students living within a 3 mile radius of the town centre. For students per mile beyond this, the tutor charges £10
 thereafter. Aaron currently tutors within a 10 mile radius of Bournemouth town centre, including
 Christchurch, Parkstone, Poole, Southbourne, Westbourne, Boscombe, Moorhown, Winton, Chichester,
 Wymondley and Branksome. Aaron's tutoring is flexible and adaptable; he plans strategically to offer each
 tutor multiple avenues through which they can access, understand, and apply what they learn. To
 achieve this, he adopts his highly-effective, three-centred methodology, Lingua Accelerate;
