 , This amazing low mileage DRZ400s has spent more time being polished than ridden. A rare opportunity to own a bike that is normally spent its life off road. With its large service intervals and exceptional off road manors the DRZ400 is a sort after as a green lane motorcycle that is as happy commuting as it is off road. This particular DRZ400 is as clean as the day it rolled off the production line at Suzuki. With standard plastics, unblemished wheel rims & swing arm. This DRZ is a testament to its previous owner.
