Dear Sirs, My name is Kaloyan and I'm a Fashion Designer with interests in Art. The above Abstract Painting hand made by me is for sale. It is made in 2007 and is called 'Intellectual Conversations'. It is made in Acrylic and Textile Dye on a wooden framed canvas. The background colour is gold and the two main colours are silver and violet. The size is 27/22 cm including the brown & silver wooden frame seen on the photo. There is a glass between the brown wooden frame and the painting, and a satin label on the back that gives info about the painting. The painting is hand-signed by me on the bottom right hand corner in the front as seen on the photo. It could make an excellent present, fit on any wall of an Art driven individual or else be a part of an Art collector's own gallery of works. I look forward to answer any questions you may have. Thank you very much for your attention. Kind Regards,
