Boosey amp Hawkes 8-10 Professional Bb Clarinet in case (495 GBP)

South West, Avon Location https://www.freeadsz.co.uk/x-511189-z

Boosey & Hawkes 8-10 Bb Clarinet. This was a professional level clarinet (see original marketing ads in pics) and I believe marketed somewhere between the Emperor and the Symphony Imperial 1010. This one is in superb condition having been professionally overhauled (and not played since) The wood is quite beautiful with no cracks or marks. It comes in the original case. A new clarinet of this standard would cost upward of £1800 so this is a bargain at £495 ono
