Location

East of England, Essex

<https://www.freeadsz.co.uk/x-511257-z>

Hi there I am Tina 47 years old professional therapist offering my warm oil Lovely firm massage For male & female clients this is Great for any health problems this is all in the same price a full body hot stone Swedish massage -foot massage £50 the hour Or just a great stress free day? plus helping you sleep Better

I do work from my own house not a shop!

Overall Health In front of the computer for a Long Time or over exercise can often Lead to strained And inflamed muscles and joints, although our Instinct is To reach for over The counter pain killers, what it Provides in reality is just Temporary relief while what our Body Needs is a nourishing And intense body massage. Massaging the Body with slightly warm, extra virgin olive oil helps in relieving muscle pains, Spasms, sprains and Inflamed joints. In addition, it also helps In relieving the Pain caused by arthritis and gout. The massage works Even better when combined with yoga Exercises for back And legs. this is only a non sexual service thank you plus non held numbers I am here Monday-Sunday please call me not email me as I don't read emails 10.am am till 7 pm

60 mins £50

Half hour £30

Hour and half £80 What happens when you are here.?

I will ask you to lay on the heated massage table facing Down

Then rub in warm fragrance free oils

with long&short strokes

I will work more in areas which are needed mostly

Then I massage you with lovely warm rocks then leave on the spine while the heat does it magic Then I will work on feet reflexology working with a lot of pressure points which take away all the tension in your head, back and neck. I will work on your shoulders and neck to do a Swedish massage great for tension to get rid of the tension in your neck and shoulders. I will use a lot of the above techniques long strokes and my Number one massage you will feel the point of pressure and then I will massage you with a lot of pressure points which take away all the tension in your body.

After this you will feel so relaxed and very tired and this will also help you to sleep better. The stress will be lifted and you will feel like new.

There is so many health benefits with this massage it covers everything Non smokers only please and no perfume or aftershave or perfumes please wash this off thank you if you wish to see who is massaging you then please look on Friday ads Non sexual.

Jan 28 2013 Outstanding massage I suffer from rheumatoid arthritis and lumbar spinal stenosis I find that regular
