

Hi there I am Tina 47 years old professional therapist offering my warm oil Lovely firm massage For male & female clients this is Great for any health problems this is all in the same price a full body hot stone Swedish massage -foot massage £50 the hour Or just a great stress free day? plus helping you sleep Better

Overall Health In front of the computer for a Long Time or over exercise can often Lead to strained And inflamed muscles and joints, although our Instinct is To reach for over The counter pain killers, what it Provides in reality is just Temporary relief while what our Body Needs is a nourishing And intense body massage. Massaging the Body with slightly warm, extra virgin olive oil helps in relieving muscle pains, Spasms, sprains and Inflamed joints. In addition, it also helps In relieving the Pain caused by arthritis and gout. The massage works Even better when combined with yoga Exercises for back And legs. this is only a non sexual service thank you plus non held numbers I am here Monday-Sunday please call me not email me as I don't read emails 10.am am till 7 pm

I will work more in areas which are needed mostly
