The motorhome is a Rapido 7087F model and is in excellent condition with very low mileage. The layout offers a front lounge and dining area utilising the swivelling captain's chairs in the cab. The lounge can also become a transverse double bed. The galley area provides a 3 burner hob, combined grille and oven and a stainless steel sink. Adjacent is the large fridge with separate freezer. Above this, is a television cabinet with an extending, swivelling turntable. A double bed occupies the nearside rear with a massive storage area underneath. Alongside, a well equipped washroom/toilet with a separate shower is provided. Heating and hot water is supplied by the Truma Combi Boiler. The Fiat Ducato Chassis is a higher spec than normal and comes with cab air conditioning, cruise control and auxiliary rear travel heater. The low profile design of the body ensures that the fuel consumption is more than acceptable and low thirties is quite feasible when touring. The previous owner had a towbar with single electrics fitted. Incidentally, although not visible in the photographs, the 'van has twin rear inertia seat belts that were fitted at the factory. A Thatcham Cat 1 alarm is also fitted. The price also includes a cover for the.
