I have a beautiful pair of brand spanking new Rydale leather boots size 9. Hand on heart they have never been worn not even once. They were bought as a present but unfortunately far too big for me as I'm only a size 7. They can be viewed on the Rydale website where all the information can be found. The original price was £90.00, I will accept £65.00 which is a great saving. Unfortunately the receipt cannot be found hence why I have reduced the price and suffering a big loss. The boot inserts are not included Collection or P&P would be.
