Delegate Me

Delegate Me provides office support solutions at an affordable price, an hourly fee, only for the hours worked on each task. We are a Family run Virtual Assistant Business with 10 years combined experience of working within office environments, providing various business support from Administration, Personal Assistance, Office Management or General Secretarial Duties. After starting families of our own we decided to dedicate our time to running our own business, Delegate Me which has been up and running for 3 years. Running our own business makes us committed to providing you with affordable, reliable and efficient services, that are cost effective and advantageous to both you and your.
