

Educational books (10 GBP)

Location **South West, Gloucestershire**
https://www.freeadsz.co.uk/x-511522-z

A collection of nearly new teaching books. To include 'must have' titles if training or already working in the teaching/educational sector. Authors such as Geoff Petty (Teaching Today), David Fontana (Psychology for Teachers), and Matt Jarvis (Angles on Child Psychology). 30 books plus that cover anything from child psychology to accelerated learning in primary education. These books do not age in terms of their usefulness. They are used but are in excellent condition. Buy the lot for this amazing price! Photo shows some of the books.
