I'm selling this table as too big for new house. Occasional use, bought from Larkswood Furniture. This is a sturdy well made solid oak table. Seats 6 easily and has hidden extender underneath which extends to seat 8. 4 seats have black coloured padding and 2 have brown coloured seats. The table does come apart in half. You will need a van to transport.

This table cost me £1200 and that was in the sale. This is not your cheap MDF, its made from solid wood. So grab yourself a bargain and a top quality.
