I have one beautiful miniature smooth haired female dachshund who is looking for a new home NOW!!! She is kc registered, microchipped, fully vaccinated, been wormed regularly, has had health checks with the vet and is in perfect condition. She looks like a black and tan but is in fact a very dark shaded red / brindle an tan. She is a little older than normal to be looking for a new home, (4 months old), this is because she did have a hernia which has now been operated on and will not cause her any future problems. I have kept her longer than normal to ensure that the operation site healed properly and that everything was ok with her. If you feel you can offer this little beauty a first class home do not hesitate to phone or email. £900 - with pedigree papers £800 - without pedigree
