

## **REBOK POWER RUN TREADMILL (200 GBP)**

Location North, Lancashire https://www.freeadsz.co.uk/x-512657-z

- \* All programmes work
- \* Electric incline for uphill running, which can operate while you run
- \* Solid 1500W motor, so not going to burn out like cheaper models
- \* Very solid construction, looks like the type you get at the gym
- \* Calories, distance and time programmes
- \* Variable speed control from 0.5 to 10mph (can be displayed in kph)
- \* Can be folded into an upright position (Piston assisted so you won't break your back)
- \* The display can be adjusted up or down
- \* 2 Cups holders 7 Programmes: Programme 1 MANUAL, press START to begin increase speed manually

Programme 2 - DISTANCE, set your target value and it counts down

Programme 3 -- TIME, set your target value and it counts down

Programme 4 -- CALORIES, set your target value and it counts down

Programme 5 - 15 minute pre-set speed workout

Programme 6 - 30 minute pre-set speed workout

Programme 7 - 45 minute pre-set speed workout unfortunately I was in a RTA & can no longer use this treadmill which is why I am selling it BUYER MUST
