Product Features Screen size (Inches) 15.6 Screen size is measured diagonally from corner to corner. Screen Resolution (pixels) 1366 x 768 The number of pixels the screen has. The more you have, the more detail the screen can display, given a high quality source. Operating system Windows RAM (Gigabytes) 6 Hard disk capacity (Gigabytes) 1000 Hard Disk capacity is measured in GBs which stands for Gigabytes. A gigabyte is 1000 MB or megabytes. The more GB you have the more info like photos and music you can store. Processor brand Intel Manufacturer's Description Enjoy fast and reliable everyday computing with the HP Notebook 15-r150sa 15.6" Laptop. Fast, reliable performance The HP Notebook 15 is powered by an Intel® Core™ i5-4210U Processor that delivers fast computing throughout all your daily activities. Whether you're working on essays, researching projects or simply updating social media, you can enjoy fast computing that won't hold you back or let you down when you need it the most. You can do more at once thanks to 6 GB of RAM, which allows you to have more windows and software open at once without slowing down. Perfect for films and media on the move A large 1 TB hard drive offers plenty of room for films, photos, music and more, so you can take plenty of media with you while out and about. The DVD drive is ideal for watching movies and can also be used to create your own discs to share or backup your data. You can view all your digital content on the big screen too thanks to the HDMI output and Miracast compatibility, which lets you mirror you laptop's screen on any compatible TV via your WiFi connection. has a small chip in the corner of the laptop as you can see in the picture other then that its in excellent condition and is only a year.
