Annie's Angels have been providing commercial and domestic cleaning services in Malvern, Cradley, Ledbury and Worcester areas since 2004. Using the latest commercial equipment, we can tackle any carpet cleaning job required, be it a small stain on a rug, to office carpets on a large scale. The Kiam Aquarius Contractor™ uses a hot water extraction method which drives a mix of water and detergent deep into the carpet pile, whilst 4-bar of pump pressure sucks out all dirt and grime. Any stubborn areas are pre-treated and agitated to ensure stain removal.

Our twin motor machine will remove most marks or stains on your upholstery or carpets. Annie's Angels are now offering 10% off all your carpet cleaning, please mention you saw this offer here to get a great discount.
