

Surface pro 3 (80 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-513064-z>

Touch screen is not working (from my research it is something to do with software) very thin crack/scatch on the screen it is barely visible keyboard and track pad work 100% fine the surface itself has no issues it works 100% fine i3 processor
4GB Ram
64 bit windows 8.1 pro OS
64GB SSD comes with original box/manual and original charger i have seen this advertised for 200+ in present condition Email/call/txt me for more
