2.0 td4 automatic all runs and drives well, just had years MOT which required 2 new tyres to get through hasn't been used much in last 6 months but all seems to be working ok. The car has few extras such as: Rear parking sensors, Heated leather, alloys, aircon etc Sunroof has been sealed shut and switch disconnected as the motor burnt out and was never fixed (just being honest) please feel free to view or call on 07985750742 079857507...(click to reveal full phone number) many
