Impending baby means I need a bigger car and so I have sell my beloved A3. I have had this car since 2012 and have loved every mile driving it and have looked after it like it was a baby. This is the 1.9 Tdi and drives excellently, has great power. This car has never let me down, being an Audi it just keeps on going, and going well. This car always gives me 52 to 54 mpg (I log it each week!). The car is in excellent overall condition, just one or two stone chips on the front to be expected for a car of this age and some slight marks on the front seats. The car comes with a 6 CD multi changer in the boot, air conditioning (which can get the car ice cold) and heated electric mirrors. The MOT runs until January 2018. The first to see and drive this car will buy it as it's great. Priced to be fair, £1500 ono. 01424 216408 01424 2164...(click to reveal full phone)
